*too much intensity*

## Have We Got A Show For You!!!!

Now that you are ~~trapped~~ *sailing* on our *exciting voyage of doom*, I bet you can't wait to hear who will be ~~annoying you~~ *entertaining* nightly for *infinity*. We have a ~~nerdy superb~~ *group of desperately accomplished one-of-a-kind* players who are ~~rejecting every appeal~~ *mixing expertises* to share their various talents and ~~lunacies~~ *interests* with you. In addition to ~~ragging and moaning~~ *noticing* them *intermittently* on board, you can catch them in ~~eight six two~~ *two* shows each night on our ~~overly fancy~~ *illustrious* main stage.

Take a look at the ~~token~~ *abundant* opening show schedule. You might even ~~avoid~~ *learn* a new ~~lousy experience~~ *surprise* about our performers if you look closely. Be **bold**, go **fourth** and enjoy ~~not taping~~ the show!
