

# WELCOME TO PARTY QUEST!!!

You say you're looking for a good party? Well, look no further my good friend! We are proud to present a whole WEEK's worth of parties for your consumption. Some are loud, some are quiet; some are crowded, some are remote. All of them have that special something: a twist that you weren't expecting, a new way of looking at things, a certain 'je ne sais quoi' that will have you re-thinking your approach. In other words, they might be a bit puzzling.

Party Quest is a Puzzle Hunt containing nine puzzles, plus a metapuzzle. Two puzzles will be released on the evening of the first four nights of the cruise, with a final puzzle and a meta-puzzle released on the fifth night. The answer to each puzzle is a word or short phrase. You can solve the puzzles solo or in groups of two, depending on your level of experience.

Pick up a clear badge holder and fold your "invitation" to fit inside it. When you solve a puzzle, write the answer inside your invitation. Get your answer checked by a member of the team (with Party Quest badges) to get stickers which will show your progress on the outside of your badge holder. The daily answers will be used as part of the meta puzzle.

The internet should not be required, but if you get stuck, ask one of us for hints. There will be a wrap-up and raffle drawing on the last day of the cruise, with anyone who has solved at least one puzzle eligible for prizes.
