# Political Party

Our Political parties have never been further apart - we have a perpetual **circus** on our hands, **driving** us crazy no matter where we turn. Use this paired twist on the NYT Strands format to find and **sort** out the themes, then take what you find back to the source in an **orderly** fashion.

Each theme word in the grid, below, is related to the spangram - a phrase that connects two opposing sides of the board.

K	O	J	L	C	I	A	T										
E	R	Y	O	F	M	E	L										
K	S	T	W	N	O	D	T										
R	U	R	W	S	E	T	L										
A	N	O	I	B	E	O	E										
L	D	S	T	H	C	O	P										
D	L	E	A	C	I	R	E										
D	U	P	R	S	N	I	M

### Example:

Refer to the inset below as follows:

There are theme words that fill the board. Theme words do not overlap and each letter is used only once. There may be more than one word in each theme.

The "spangram" is a word or words that describes the puzzles theme and touches two opposite sides of the board.

In this example, the theme words are:

- Latte
- Pour Over
- Espresso
- Cortado
- Cold Brew

Example:

T	A	E	V	U	P
T	L	R	O	R	O
E	R	E	S	S	O
E	P	I	N	K	S
S	R	D	W	E	R
C	F	E	E	O	B
O	F	R	D	C	D
C	O	T	A	O	L

Spangram:

C O F F E E   D R I N K S
