

CROSS-TRAINING

Dan Rosart

My crossword was a bit tough for the cruise, so I asked an AI to make it easier, but I think solving most of it was a bit extreme. Plus it deleted some of my clues, which is a little **unsporting**. Actually I'm quite **cross** about it. How would I describe the AI's actions?

Across

1. Shove
5. Impale
9. Nursemaid
13. Delayed
14. Opera solo
15. DELETED BY AI
16. Causing anger
17. Plant with fronds
18. Ear-related
19. DELETED BY AI
